

Requests

Human Rights Intelligence

1. Historical (last 5-10 years) overview on tasking and collection, including changes, if any, as result of current administration policy.
2. Nature of tasking of and by intelligence agencies: How specific? Particular incidents? Particular policies? Verification of reports by private organizations?
3. Nature of collection: Targetted collection vis-a-vis incidental fall-out from other collection.
4. Debriefing programs: victims, families, emigre support groups, refugees.
5. Use of open source reporting.
6. Nature of reporting: quantity, level of detail, reliability.
7. Use of intelligence by policymakers, if known; reports to Congress, diplomatic efforts, etc.
8. Policy issues: risks in re. liaison relationships and foreign policy considerations.
